Wow! It is already Friday!

Time flies when you are doing math :)

Today we will be taking a pre-test on Chapter 10 and then exploring our math website.

You will need:

a pencil

your math binder

your log in information

a book to read or other work to do

*Please sit where your
name tag is placed.*

If you don't have them, go get them now!!!

Cheers,
Mrs. Horak &
Mrs. Weise

Greeting:

Greet everyone at your table.

Give them an elbow bump.

Chapter 10 Pretest

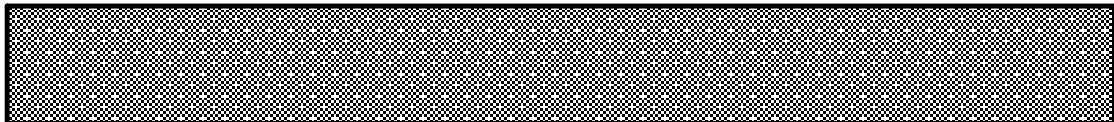

Do your best.

It is ok to skip questions,

if you don't know how to begin them.

If you do well (80% or better) on the pretest,
you may choose to work independently
for the rest of the chapter.

You will have only 30 minutes to work on the pretest.

When you finish the pretest,

Double check that your name is on it.
Bring it to Mrs. Weise.

Return to your seat and wait quietly for everyone to finish.
